VIII. SCTC Attendance Policy: Students are expected to attend all classes for which they are registered. A student who is absent from a class misses a portion of the subject matter of the course and misses an opportunity to contribute to class. Each student is responsible for all coursework missed, regardless of the reason. Prolonged absence from class may result in a loss of financial aid and usually results in a reduction of grade. Attendance requirements may vary from instructor to instructor. Student travel for college related events is a privilege, not an entitlement. Students wishing to go on field trips or overnight travel must make arrangements with each of their instructors at least two weeks in advance. Travel status does not excuse students from due dates and other course requirements. Permission for student travel is at the discretion of each instructor (see current *SCTC Student Handbook/Catalog*).

Instructor Attendance Policy:

- IX. SCTC Plagiarism Policy:** (Adopted with permission from Indiana University, Bloomington, IN, December 8, 2009). Plagiarism is a violation of the Student Code of Conduct described in the current *SCTC Student Handbook*. Such a violation may result in failure of the assignment, failure of the course, and suspension or expulsion from the college.
- X. Specific Course Policies:**

If you have a preferred first name and/or specific gender pronoun you would like used during class, please let your instructor know.
- XIV. Last Day to Withdraw with No Grade Reported:** Students that are earning an overall grade of a “C-” or less will be notified by the Dean of Students near the midterm via their sagchip.edu account. Those students should speak with the instructor regarding the feasibility of earning a passing grade. Those students who are unable/unlikely to earn a passing grade are advised to withdraw from the course. Withdrawal from a course is a student responsibility. Contact the Registrar for the appropriate form. Please check the academic calendar on our website for the last day to withdraw from this course.

XV. It is the student's responsibility to monitor and maintain their student email/Schoology account. Sagchip.edu email accounts and Schoology log-ins will be set up at the beginning of each semester. For more information, see the Technology Guide in your registration packet. You may also email techsupport@sagchip.edu for technical assistance.

XVI. Other:

*Note: The e-Portfolio component is an electronic collection of "artifacts" which should demonstrate a student's academic and personal growth during their education at SCTC. Artifacts are defined as accomplishments made towards achieving the goals and learning outcomes in the student's declared degree. Every student is ***required*** to create an e-Portfolio during their first two semesters at SCTC and then develop and maintain it until it is assessed during the semester in which they graduate. This project will also enable the student to track his/her progress in meeting goals and reflect on accomplishments in a manner that will support synthesis of knowledge, values, and skills essential for an SCTC graduate.

It is the student's responsibility to accumulate and choose which artifacts will be submitted into his or her portfolio. It is suggested that students work with their instructor for guidance on inclusions which ***must*** contain coursework but may also include co-curricular and/or extracurricular endeavors. The following is a non-exhaustive list of examples: academic papers, projects, presentations, exams, lab reports, pieces of art work, awards, and instances of community service, club/organization activities, and attendance at conferences.
