can be taught" (Booth pg. 200). To discredit the importance of rhetoric due to the underlying complicity is foolish. Of course I won't deny the fact that rhetorical skills are an invasive technique to master but to disregard rhetoric in English classes entirely is a pessimistic outlook. Martin Luther King Jr. is an admirable example of how articulate rhetorical skills can help better society. The great accomplishments you can attain by learning rhetoric skills like Martin Luther

Is this the word you want here?

Similarly—would "intensive" or "complex" fit better for what you mean?

**Autumn EFO**

I see what you mean here, and it's an interesting, solid point! However, in order to answer the assignment instructions more exactly and directly, it would be helpful to make sure your thesis statement could be used as a one-sentence answer to the question in the assignment. See my thesis statement guidelines below:
